CONSENT FOR EMAIL AND/OR SMS COMMUNICATIONS

You may be contacted by a hospital, local public health unit, or the Ministry of Health for purposes related to the COVID-19 vaccine (for example, to remind you of follow up appointments and to provide you with a record of immunization).

CONSENT TO BEING CONTACTED ABOUT RESEARCH STUDIES

You have the option of consenting to be contacted by researchers about participation in COVID-19 vaccine related research studies. If you consent to be contacted, your personal health information will be used to determine which studies may be relevant to you, and your name and contact information will be disclosed to researchers. Consenting to be contacted about research studies does not mean you have consented to participate in the research itself. Participating in research is voluntary. You may refuse to consent to be contacted about research studies without impacting your eligibility to receive the COVID-19 vaccine.

If you do not wish to be contacted about research studies, please indicate this below.

If you consent to be contacted about research studies, and then change your mind, you may withdraw consent at any time by contacting the Ministry of Health at vaccine@ontario.ca.

This will **not** impact your eligibility to receive the Covid-19 vaccine.
